

PUBLIC NOTICE

Kgatelopele Local Municipality is aware of challenges faced by prospective bidders in terms of physical submission of tenders due to COVID-19 related lockdown restrictions.

A provision has thus been made in line with MFMA SCM Regulation 22 (4) for bidders to submit their tenders electronically.

The conditions for electronic submission are as follows:

- The submission will be through email to supply@kgatelopele.gov.za
- The email has to reach the municipality by 23H59 on the date stipulated on the tender advertisement.
- A hard copy format of the document has to be submitted to the municipality within fourteen business days from the stipulated due date

Failure to comply with the conditions above will render the bid non-responsive and will not be considered for evaluation

In the event that the electronic copy of the document is too large to send as an email attachment, a file transfer service such as drop-box may be used.

N.B: suppliers are advised NOT to make any alterations or additions to the tender documents, except to comply with instructions issued by the Municipality.
